|----------------|------------------|
| Symbol: | DC.CAB.2400.0020 |
|----------------|------------------|

| | |
|----------------------|------------------------|
| Productgroep: | Net-aansluitingskabels |
|----------------------|------------------------|

Productparameters:

| | |
|----------------------------|------------|
| Type aansluitkabel: | DC-voeding |
|----------------------------|------------|

| | |
|----------------------|----------------------|
| Opbouw kabel: | 2x0,5mm ² |
|----------------------|----------------------|

| | |
|----------------------|---|
| Aantal aders: | 2 |
|----------------------|---|

| | |
|-----------------------|--------------------|
| Aderdoorsnede: | 0,5mm ² |
|-----------------------|--------------------|

| | |
|------------------------------------|--------------------------------|
| Constructie kabel/doorgang: | DC 5,5/2,5 aansluiting, draden |
|------------------------------------|--------------------------------|

| | |
|------------------------|-------|
| Lengte contact: | 9,5mm |
|------------------------|-------|

| | |
|-------------------------|-------|
| Connectorversie: | recht |
|-------------------------|-------|

| | |
|------------------------|-------|
| Kleur isolatie: | zwart |
|------------------------|-------|

| | |
|---------------------------|-----|
| Nominale spanning: | 48V |
|---------------------------|-----|

| | |
|--------------------------------|------------|
| Max. nominale stroom: | 5A |
| Kabellengte: | 0,2m |
| Buitenafmetingen draad: | 2x2mm |
| Werktemperatuur: | -20...70°C |

Extra informatie

| | |
|-----------------------|----------|
| Bruto gewicht: | 0,012 kg |
|-----------------------|----------|
