| <b>Symbol:</b> | DC.CAB.2000.0300 |
|----------------|------------------|

|                      |                        |
|----------------------|------------------------|
| <b>Productgroep:</b> | Net-aansluitingskabels |
|----------------------|------------------------|

## Productparameters:

|                            |            |
|----------------------------|------------|
| <b>Type aansluitkabel:</b> | DC-voeding |
|----------------------------|------------|

|                      |                      |
|----------------------|----------------------|
| <b>Opbouw kabel:</b> | 2x0,5mm <sup>2</sup> |
|----------------------|----------------------|

|                      |   |
|----------------------|---|
| <b>Aantal aders:</b> | 2 |
|----------------------|---|

|                       |                    |
|-----------------------|--------------------|
| <b>Aderdoorsnede:</b> | 0,5mm <sup>2</sup> |
|-----------------------|--------------------|

|                                    |                                |
|------------------------------------|--------------------------------|
| <b>Constructie kabel/doorgang:</b> | DC 5,5/2,1 aansluiting, draden |
|------------------------------------|--------------------------------|

|                        |       |
|------------------------|-------|
| <b>Lengte contact:</b> | 9,5mm |
|------------------------|-------|

|                         |       |
|-------------------------|-------|
| <b>Connectorversie:</b> | recht |
|-------------------------|-------|

|                        |       |
|------------------------|-------|
| <b>Kleur isolatie:</b> | zwart |
|------------------------|-------|

|                           |     |
|---------------------------|-----|
| <b>Nominale spanning:</b> | 48V |
|---------------------------|-----|

|                                |            |
|--------------------------------|------------|
| <b>Max. nominale stroom:</b>   | 5A         |
| <b>Kabellengte:</b>            | 3m         |
| <b>Buitenafmetingen draad:</b> | 2x2mm      |
| <b>Werktemperatuur:</b>        | -20...70°C |

## Extra informatie

|                       |          |
|-----------------------|----------|
| <b>Bruto gewicht:</b> | 0,059 kg |
|-----------------------|----------|
