Product specifications

| | |
|----------------------------------|---------------------------|
| Type of connection cable: | mains DC |
| Cable structure: | 2x0.5mm ² |
| Number of cores: | 2 |
| Core section: | 0.5mm ² |
| Cable/adaptor structure: | cables, DC 5,5/2,5 socket |
| Length of metal part: | 11mm |
| Connector variant: | straight |
| Insulation colour: | white |
| Rated voltage: | 48V |

| | |
|----------------------------------|------------|
| Max. operating current: | 2A |
| Cable length: | 1.5m |
| Cable outside dimensions: | 2x4mm |
| Operating temperature: | -20...70°C |
| Wire cross-section shape: | flat |

Additional information
