|                      |                        |
|----------------------|------------------------|
| <b>Productgroep:</b> | Net-aansluitingskabels |
|----------------------|------------------------|

## Productparameters:

|                            |            |
|----------------------------|------------|
| <b>Type aansluitkabel:</b> | DC-voeding |
|----------------------------|------------|

|                      |                    |
|----------------------|--------------------|
| <b>Opbouw kabel:</b> | 2x1mm <sup>2</sup> |
|----------------------|--------------------|

|                      |   |
|----------------------|---|
| <b>Aantal aders:</b> | 2 |
|----------------------|---|

|                       |                  |
|-----------------------|------------------|
| <b>Aderdoorsnede:</b> | 1mm <sup>2</sup> |
|-----------------------|------------------|

|                                    |                              |
|------------------------------------|------------------------------|
| <b>Constructie kabel/doorgang:</b> | DC 5,5/3,0CP stekker, draden |
|------------------------------------|------------------------------|

|                        |       |
|------------------------|-------|
| <b>Lengte contact:</b> | 9,5mm |
|------------------------|-------|

|                         |      |
|-------------------------|------|
| <b>Connectorversie:</b> | hoek |
|-------------------------|------|

|                        |     |
|------------------------|-----|
| <b>Kleur isolatie:</b> | wit |
|------------------------|-----|

|                           |     |
|---------------------------|-----|
| <b>Nominale spanning:</b> | 48V |
|---------------------------|-----|

|                                  |                 |
|----------------------------------|-----------------|
| <b>Max. nominale stroom:</b>     | 8A              |
| <b>Kabellengte:</b>              | 1,5m            |
| <b>Buitenafmetingen draad:</b>   | 1x4mm           |
| <b>Werktemperatuur:</b>          | -20...70°C      |
| <b>Toepassing aansluitkabel:</b> | laptops Samsung |
| <b>Vorm draaddoorsnede:</b>      | rond            |

## Extra informatie

|                       |          |
|-----------------------|----------|
| <b>Bruto gewicht:</b> | 0,059 kg |
|-----------------------|----------|
