| <b>Produktová skupina:</b> | Počítačové káble a adaptéry |
|----------------------------|-----------------------------|

## Parametre produktu

|                                  |               |
|----------------------------------|---------------|
| <b>Typ prepojovacieho kábla:</b> | D-Sub - D-Sub |
|----------------------------------|---------------|

|                                      |                                          |
|--------------------------------------|------------------------------------------|
| <b>Konštrukcia kábla/prepojenia:</b> | D-Sub 25pin vidlica, D-Sub 25pin zásuvka |
|--------------------------------------|------------------------------------------|

|                     |    |
|---------------------|----|
| <b>Dĺžka kábla:</b> | 3m |
|---------------------|----|

|                      |       |
|----------------------|-------|
| <b>Priemer žily:</b> | 28AWG |
|----------------------|-------|

|                |                |
|----------------|----------------|
| <b>Verzia:</b> | prepojenie 1:1 |
|----------------|----------------|

|                                |     |
|--------------------------------|-----|
| <b>Vnútorň priemer hadice:</b> | 6mm |
|--------------------------------|-----|

## Ďalšie informácie

|                         |          |
|-------------------------|----------|
| <b>Hmotnosť brutto:</b> | 0,278 kg |
|-------------------------|----------|
