|                       |                                |
|-----------------------|--------------------------------|
| <b>Grupă produse:</b> | Cabluri cu un singur conductor |
|-----------------------|--------------------------------|

## Parametri produs

|                   |            |
|-------------------|------------|
| <b>Tip cablu:</b> | echipament |
|-------------------|------------|

|                      |             |
|----------------------|-------------|
| <b>Subtip cablu:</b> | H05V-K, LgY |
|----------------------|-------------|

|                             |       |
|-----------------------------|-------|
| <b>Structură conductor:</b> | litat |
|-----------------------------|-------|

|                     |    |
|---------------------|----|
| <b>Subtip fire:</b> | Cu |
|---------------------|----|

|                       |   |
|-----------------------|---|
| <b>Număr miezuri:</b> | 1 |
|-----------------------|---|

|                      |                     |
|----------------------|---------------------|
| <b>Secțiune fir:</b> | 0,75mm <sup>2</sup> |
|----------------------|---------------------|

|                                           |     |
|-------------------------------------------|-----|
| <b>Materiale izolante pentru cabluri:</b> | PVC |
|-------------------------------------------|-----|

|                          |                 |
|--------------------------|-----------------|
| <b>Culoare izolație:</b> | albastru-galben |
|--------------------------|-----------------|

|                           |              |
|---------------------------|--------------|
| <b>Tensiune nominală:</b> | 0,3kV, 0,5kV |
|---------------------------|--------------|

|                          |      |
|--------------------------|------|
| <b>Conținut ambalaj:</b> | 100m |
|--------------------------|------|

|                                 |                       |
|---------------------------------|-----------------------|
| <b>Clasă flexibilitate:</b>     | 5                     |
| <b>Diametru exterior cablu:</b> | 1,9mm                 |
| <b>Structura cablului:</b>      | 1x0,75mm <sup>2</sup> |
| <b>Temperatura de lucru:</b>    | -40...105°C           |
