| <b>Symbol:</b> | CAB-09GW/5 |
|----------------|------------|

|                      |                             |
|----------------------|-----------------------------|
| <b>Productgroep:</b> | Computer kabels en adapters |
|----------------------|-----------------------------|

## Productparameters:

|                            |               |
|----------------------------|---------------|
| <b>Type aansluitkabel:</b> | D-Sub - D-Sub |
|----------------------------|---------------|

|                                    |                                              |
|------------------------------------|----------------------------------------------|
| <b>Constructie kabel/doorgang:</b> | D-Sub 9pin contrastekker, D-Sub 9pin stekker |
|------------------------------------|----------------------------------------------|

|                     |    |
|---------------------|----|
| <b>Kabellengte:</b> | 5m |
|---------------------|----|

|                      |       |
|----------------------|-------|
| <b>Aderdiameter:</b> | 28AWG |
|----------------------|-------|

|                |                |
|----------------|----------------|
| <b>Versie:</b> | verbinding 1:1 |
|----------------|----------------|

|                                    |     |
|------------------------------------|-----|
| <b>Uitwendige leidingdiameter:</b> | 5mm |
|------------------------------------|-----|

## Extra informatie

|                       |          |
|-----------------------|----------|
| <b>Bruto gewicht:</b> | 0,224 kg |
|-----------------------|----------|
