|----------------|-------------|

|                      |                             |
|----------------------|-----------------------------|
| <b>Productgroep:</b> | Computer kabels en adapters |
|----------------------|-----------------------------|

## Productparameters:

|                            |               |
|----------------------------|---------------|
| <b>Type aansluitkabel:</b> | D-Sub - D-Sub |
|----------------------------|---------------|

|                                    |  |
|------------------------------------|--|
| <b>Constructie kabel/doorgang:</b> | D-Sub 9pin contrastekker, D-Sub 9pin stekker |
|------------------------------------|--|

|                     |     |
|---------------------|-----|
| <b>Kabellengte:</b> | 10m |
|---------------------|-----|

|                      |       |
|----------------------|-------|
| <b>Aderdiameter:</b> | 28AWG |
|----------------------|-------|

|                |                |
|----------------|----------------|
| <b>Versie:</b> | verbinding 1:1 |
|----------------|----------------|

|                                    |     |
|------------------------------------|-----|
| <b>Uitwendige leidingdiameter:</b> | 5mm |
|------------------------------------|-----|

## Extra informatie

|                       |          |
|-----------------------|----------|
| <b>Bruto gewicht:</b> | 0,405 kg |
|-----------------------|----------|
