|----------------------|------------------------|
| <b>Productgroep:</b> | Net-aansluitingskabels |
|----------------------|------------------------|

## Productparameters:

|                            |            |
|----------------------------|------------|
| <b>Type aansluitkabel:</b> | DC-voeding |
|----------------------------|------------|

|                      |                      |
|----------------------|----------------------|
| <b>Opbouw kabel:</b> | 2x0,5mm <sup>2</sup> |
|----------------------|----------------------|

|                      |   |
|----------------------|---|
| <b>Aantal aders:</b> | 2 |
|----------------------|---|

|                       |                    |
|-----------------------|--------------------|
| <b>Aderdoorsnede:</b> | 0,5mm <sup>2</sup> |
|-----------------------|--------------------|

|                                    |                            |
|------------------------------------|----------------------------|
| <b>Constructie kabel/doorgang:</b> | DC 5,5/2,1 stekker, draden |
|------------------------------------|----------------------------|

|                        |       |
|------------------------|-------|
| <b>Lengte contact:</b> | 9,5mm |
|------------------------|-------|

|                         |       |
|-------------------------|-------|
| <b>Connectorversie:</b> | recht |
|-------------------------|-------|

|                        |       |
|------------------------|-------|
| <b>Kleur isolatie:</b> | zwart |
|------------------------|-------|

|                           |     |
|---------------------------|-----|
| <b>Nominale spanning:</b> | 48V |
|---------------------------|-----|

**Max. nominale stroom:**

5A

**Kabellengte:**

1,5m

**Buitenafmetingen draad:**

2x2mm

**Werktemperatuur:**

-20...70°C

**Toepassing aansluitkabel:**

LED verlichting, routers, spelers en tuners, Switch, Hub

## Extra informatie

**Bruto gewicht:**

0,03 kg
