|----------------|------------------|
| Symbol: | DC.EXT.6200.0200 |
|----------------|------------------|

| | |
|----------------------|------------------------|
| Productgroep: | Net-aansluitingskabels |
|----------------------|------------------------|

Productparameters:

| | |
|----------------------------|------------|
| Type aansluitkabel: | DC-voeding |
|----------------------------|------------|

| | |
|----------------------|-----------------------|
| Opbouw kabel: | 2x0,35mm ² |
|----------------------|-----------------------|

| | |
|----------------------|---|
| Aantal aders: | 2 |
|----------------------|---|

| | |
|-----------------------|---------------------|
| Aderdoorsnede: | 0,35mm ² |
|-----------------------|---------------------|

| | |
|------------------------------------|--|
| Constructie kabel/doorgang: | DC 5,5/2,1 aansluiting, DC 5,5/2,1 stekker |
|------------------------------------|--|

| | |
|------------------------|------|
| Lengte contact: | 11mm |
|------------------------|------|

| | |
|-------------------------|-------|
| Connectorversie: | recht |
|-------------------------|-------|

| | |
|------------------------|-------|
| Kleur isolatie: | zwart |
|------------------------|-------|

| | |
|---------------------------|-----|
| Nominale spanning: | 48V |
|---------------------------|-----|

Productkaart DC.EXT.6200.0200

| | |
|--|-------------|
| Max. nominale stroom: | 3A |
| Kabellengte: | 2m |
| Buitenafmetingen draad: | 1,62x3,42mm |
| Werktemperatuur: | -25...70°C |
| Soort ader: | Cu |
| Vorm draaddoorsnede: | vlak |
| Materiaal van geleidingsisolatie: | PVC |
| Kleur connector: | zwart |
