

**Symbol:**

FLRYW-A1.50-BR/1

**Skupina výrobků:**

Car Instalation Cables

## Parametry výrobku

|                                  |                                                                                                                                                  |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Type of wire:</b>             | assembly                                                                                                                                         |
| <b>Kind of wire:</b>             | FLRYW-A                                                                                                                                          |
| <b>Cable structure:</b>          | 1x1.5mm <sup>2</sup>                                                                                                                             |
| <b>Core structure:</b>           | stranded                                                                                                                                         |
| <b>Kind of core:</b>             | Cu                                                                                                                                               |
| <b>Number of cores:</b>          | 1                                                                                                                                                |
| <b>Core section:</b>             | 1.5mm <sup>2</sup>                                                                                                                               |
| <b>Wire insulation material:</b> | PVC                                                                                                                                              |
| <b>Insulation colour:</b>        | brown                                                                                                                                            |
| <b>Rated voltage:</b>            | 60V                                                                                                                                              |
| <b>Operating temperature:</b>    | -40...125°C                                                                                                                                      |
| <b>Flexibility class:</b>        | 5                                                                                                                                                |
| <b>Conform to the norm:</b>      | ECE R-118                                                                                                                                        |
| <b>Cable external diameter:</b>  | 2.2...2.4mm                                                                                                                                      |
| <b>Information:</b>              | The cables can be delivered in several sections. Minimum section length and multiple of 1m, The UL Label and Mark on full factory packaging only |
