|------------------------|--------------------|
| Symbol: | S1W-2/07/2.5WH |
| Product groups: | Power Supply Cords |

Product specifications

| | |
|----------------------------------|---------------------------|
| Type of connection cable: | mains |
| Kind of wire: | H03VVH2-F |
| Cable structure: | 2x0.75mm ² |
| Cable/adaptor structure: | cables, CEE 7/16 (C) plug |
| Wire insulation material: | PVC |
| Cable length: | 2.5m |
| Version: | with switch |
| Insulation colour: | white |

| | |
|--------------------------------|---------------------|
| Number of cores: | 2 |
| Core section: | 0.75mm ² |
| Max. operating current: | 2.5A |
| Rated voltage: | 0.25kV |

Additional information

| | |
|----------------------|----------|
| Gross weight: | 0.123 kg |
