|----------------|------------------|
| Symbol: | DC.CAB.1811.0150 |
|----------------|------------------|

| | |
|----------------------|------------------------|
| Productgroep: | Net-aansluitingskabels |
|----------------------|------------------------|

Productparameters:

| | |
|----------------------------|------------|
| Type aansluitkabel: | DC-voeding |
|----------------------------|------------|

| | |
|----------------------|--------------------|
| Opbouw kabel: | 2x1mm ² |
|----------------------|--------------------|

| | |
|----------------------|---|
| Aantal aders: | 2 |
|----------------------|---|

| | |
|-----------------------|------------------|
| Aderdoorsnede: | 1mm ² |
|-----------------------|------------------|

| | |
|------------------------------------|----------------------------|
| Constructie kabel/doorgang: | DC 5,5/1,7 stekker, draden |
|------------------------------------|----------------------------|

| | |
|------------------------|-------|
| Lengte contact: | 9,5mm |
|------------------------|-------|

| | |
|-------------------------|------|
| Connectorversie: | hoek |
|-------------------------|------|

| | |
|------------------------|-------|
| Kleur isolatie: | zwart |
|------------------------|-------|

| | |
|---------------------------|-----|
| Nominale spanning: | 48V |
|---------------------------|-----|

| | |
|----------------------------------|--------------|
| Max. nominale stroom: | 8A |
| Kabellengte: | 1,5m |
| Buitenafmetingen draad: | 1x4mm |
| Werktemperatuur: | -20...70°C |
| Toepassing aansluitkabel: | laptops Acer |

Extra informatie

| | |
|-----------------------|----------|
| Bruto gewicht: | 0,058 kg |
|-----------------------|----------|
