## Product specifications

|                      |                         |
|----------------------|-------------------------|
| <b>Type of wire:</b> | telecommunication cable |
|----------------------|-------------------------|

|                         |         |
|-------------------------|---------|
| <b>Cable structure:</b> | 6x28AWG |
|-------------------------|---------|

|                        |          |
|------------------------|----------|
| <b>Core structure:</b> | stranded |
|------------------------|----------|

|                         |   |
|-------------------------|---|
| <b>Number of cores:</b> | 6 |
|-------------------------|---|

|                       |       |
|-----------------------|-------|
| <b>Core diameter:</b> | 28AWG |
|-----------------------|-------|

|                           |       |
|---------------------------|-------|
| <b>Insulation colour:</b> | black |
|---------------------------|-------|

|                                  |           |
|----------------------------------|-----------|
| <b>Cable outside dimensions:</b> | 2.4x4.8mm |
|----------------------------------|-----------|

|                          |      |
|--------------------------|------|
| <b>Package contents:</b> | 500m |
|--------------------------|------|

|                               |            |
|-------------------------------|------------|
| <b>Operating temperature:</b> | -20...60°C |
|-------------------------------|------------|

|                                  |            |
|----------------------------------|------------|
| <b>Kind of core:</b>             | Cu         |
| <b>Wire cross-section shape:</b> | flat       |
| <b>Shield structure:</b>         | unshielded |

## Additional information

|                      |           |
|----------------------|-----------|
| <b>Gross weight:</b> | 10.854 kg |
|----------------------|-----------|
